

Back Pack Food Program

Minisink Cares

Minisink Cares recently expanded the Back Pack Food Program for those students who need food throughout the year. They provide them with a back pack at the beginning of the year and each week they go to their prospective school office and pick up food to put in their backpack. These are kids who may be getting help with lunch at school but are not receiving much to eat after the school day.

Requested food donations:

- Granola bars
- 100% Juice boxes
- Mac & Cheese
