**NEW GUIDELINES for the 2021 Aged Exemption Renewal  
due to NYS Regulations for COVID Safety**

January 2021

Dear Property Owner(s):

All property owners who received the aged exemption in 2020 will **NOT** have to reapply for the 2021 aged exemption. This is an executive order from Governor Andrew Cuomo effective immediately, to protect the health & safety of our seniors. This order expires on 5/1/2021.

Your 2020 exemption on file will be rolled over for 2021, unless the property was sold or another owner was added to the deed.

Even though we mailed out the applications, you do not need to come in or send in your application renewal to the assessor's office.

If you have any questions, please contact the assessor's office at (845)355-5700 ext. 9
