

**NOTICE OF HEARING
TOWN OF WAWAYANDA
ROBINN MEADOWS WATER DISTRICT
PROPOSED IMPROVEMENT OF FACILITIES**

PLEASE TAKE NOTICE that the Town Board of the Town of Wawayanda will hold a public hearing on September 10, 2019, at 7:00 PM at the Town Hall, 80 Ridgebury Hill Road, Slate Hill, New York 10973, to consider and hear public comments on proposed improvement of the facilities of the Robinn Meadows Water District. The proposed improvements include an addition to the existing well house for Wells 6 and 7, a booster pump skid and variable frequency drive motors to supply pressure to the water distribution system, an approximate 65,000 gallon glass-fused to steel water storage tank, and 850 linear feet of eight-inch diameter DIP watermain. The estimated maximum cost of the proposed project is \$877,125, which includes estimated construction costs, 20% construction contingencies, and engineering, surveying and legal expenses. The Town Board will apply for a grant from the State Environmental Facilities Corp. (“EFC”) in the amount of 60% of the project cost and will apply for a low-interest loan from the EFC or other source to finance the balance of the project cost. A map, plan and report of the proposed improvements is on file in the Town Clerk’s office. All persons interested will be heard by the Town Board at the public hearing.

The Town of Wawayanda will make every effort to assure that the hearing is accessible to persons with disabilities. Anyone requiring special assistance and/or reasonable accommodations should contact the Town Clerk.
