

At a meeting of the Town Board  
of the Town of Wawayanda,  
Orange County, New York, held  
in said Town on the 4<sup>th</sup> day of  
November, 2021

---

In the Matter of

The Increase and Improvement of Facilities of Denton Hills  
Water District in the Town of Wawayanda, Orange County,  
New York, pursuant to §202-b of the Town Law

---

**ORDER CALLING FOR  
PUBLIC HEARING TO  
CONSIDER APPROVING  
INCREASE AND  
IMPROVEMENT  
OF FACILITIES**

PRESENT: Hon. Denise Quinn, Supervisor  
Councilperson David Cole  
Councilperson Rosario La Spina  
Councilperson Ronald R. Myruski  
Councilperson Richard Penaluna

ABSENT:

WHEREAS, a map and plan has been prepared by competent engineers duly licensed by the State of New York in such manner and in such detail as determined by the Town Board of the Town of Wawayanda concerning the increase and improvement of facilities of the Denton Hills Water District; and

WHEREAS, the Town currently utilizes two (2) wells within the Denton Hills Water System which are then treated in an existing building which is beyond its useful life. The water enters the existing treatment building, is chlorinated and conveyed to a buried atmospheric storage tank outside the existing building. The existing storage tank serves as a source for the existing booster pumps and hydro pneumatic tank which serve flow and pressure to existing distribution system. The proposed improvements would utilize the existing wells to be re-piped to a new water treatment facility which would operate in a similar fashion. The raw water would enter the building to be chlorinated and directed to a new potable water storage tank. The new tank would then serve as a source for the proposed booster pumps which would operate independent of a hydro pneumatic

tank providing a more stable pressure for the entire distribution system. The distribution pumps would then serve pressure and flow to the entire distribution system.

WHEREAS, the estimated maximum cost of the purchase and installation of the additional water treatment building and water storage tank and design of such improvements is \$1,515,000.00.

ORDERED, that the Town Board of the Town of Wawayanda will hold a special meeting for the purpose of a public hearing on November 16, 2021, at 7:00 PM, in person at the Wawayanda Town Hall, 80 Ridgebury Hill Road Slate Hill, New York to consider and hear public comments from all persons interested in the subject of a proposed increase and improvements of the facilities of the Denton Hills Water District as described above.

FURTHER ORDERED that the Town Clerk is hereby directed to publish notice of this So Ordered hearing at least once in the official newspaper of the Town not less than 10 nor more than 20 days before the date of the hearing, and be it

FURTHER ORDERED that the Town Clerk is hereby directed to cause a certified copy of this Order to be posted on the sign board of the Town not less than 10 nor more than 20 days before the date of the hearing.

Dated: Town of Wawayanda, New York  
4<sup>th</sup> day of November, 2021

Motion By: Supervisor Quinn

Seconded By: Councilperson Cole
